

Join the Color Our World Summer Reading Challenge at Wicomico Public Library, June 1 through August 23! This year, you choose your own reading goal: 15, 25, 40, or 60 days. The activities and challenges are the same for everyone, making it easy for the whole family to join in the fun.

Every month, we'll draw prize winners from those signed up; just by participating, you could win something cool! Finish your reading goal and return your game board by August 23 to complete the challenge.

Want to go digital? Track your progress online at [wicomicolibrary.beanstack.org](http://wicomicolibrary.beanstack.org) or download the Beanstack App. This summer, let books brighten your world!
